*God is blessing us, our Sunday School is growing ...
... and we need more teachers and helpers to add more junior classes. We will be using a more complete curriculum this fall that will provide teachers and helpers with more resources and prepared material. We are looking for several individuals who would be interested in team teaching one of the junior classes. You can rotate so that you are not teaching/helping every week. Please speak to the minister if you would be willing to consider this important ministry.*
