

## Sunday, February 28th

Operation World focus country for prayer: Bangladesh

### This morning at 11am ...

- Psalm 12 contrasts our own human weakness, particularly the sinfulness of our words, to the precious value of the Word of God, which is like silver refined seven times
- *“Though your sins be as scarlet ...”* - Our study of the Gospel of Isaiah begins with a stark reminder of the problem with religion

### This evening at 7pm ...

- Psalm 86 appears to be located in the wrong part of the book. Why is this psalm of David located in the middle of a string of Psalms by the sons of Korah, written during the exile?
- The Impassibility of God? Given the apparent anger God displays in the book of Lamentations, tonight we wonder whether He feels emotions, both good and bad, the same way we do?

## The New City Catechism

(See [www.newcitycatechism.com](http://www.newcitycatechism.com) for more resources.)

**Question 16:** What is sin?

**Answer:** Sin is rejecting or ignoring God in the world He created, rebelling against Him by living without reference to Him, not being or doing what he requires in his law—resulting in our death and the disintegration of all creation.
