

## Côte des Neiges Presbyterian Church Christmas Shopping List

In collaboration with Dr Julien's Atlas clinic right here in our community, we will once again be 'adopting' several

families in difficult circumstances who live near the church, providing a few Christmas gifts, along with a food basket.

Please let the minister know, by email, which of the families below you would like to purchase for.  
(joel.coppieters@gmail.com)

The gifts should be age appropriate new items. Focus on toys, books, educational items and craft supplies, but an item of clothing can also be nice.

Each gift should be labelled, with the gender and age of the child, and gift wrapped if possible.

Gifts should be brought to the church by Sunday, December 19th at the latest.

We can arrange for pick up if needed.

Non perishables for the food baskets, and donations to the benevolent fund are also very helpful for the project.
