**Question 22:** Why must the Redeemer be truly human?

**Answer:** That in human nature He might on our behalf perfectly obey the whole law and suffer the punishment for human sin; and also that He might sympathize with our weaknesses.

*Therefore he had to be made like his brothers in every respect, so that he might become a merciful and faithful high priest in the service of God, to make propitiation for the sins of the people. Hebrews 2:17*

You are warmly invited to this year's summer bus trip to Quebec City. We will be touring the city, and making several stops at historic places in and around old Quebec - the oldest walled city in North America! We need to have a final tally and have paid the funds to the bus company by the end of June, so we encourage you to plan and reserve early. Contact Lovina or Seth for more details, and to reserve your place.
