Question 23: Why must the Redeemer be truly God?

Answer: That because of His divine nature His obedience and suffering would be perfect and effective; and also that He would be able to bear the righteous anger of God against sin and yet overcome death.

God raised Him up, loosing the pangs of death, because it was not possible for Him to be held by it. Acts 2:24

We need to have a final tally and have paid the funds to the bus company by the end of June, so we encourage you to plan and reserve early. Contact Lovina or Seth for more details, and to reserve your place.
